	<p><b>COOKIE POLICY</b></p> <p><b>WHAT ARE COOKIES</b></p> <p>Cookies are data created by a server that are stored in text files on your computer's hard disk or on any device you use to access the Internet (smartphone, tablet) and allow us to collect information about your navigation on the website.</p> <p>Cookies can be permanently stored on your computer and have a variable duration (so-called persistent cookies), but they can also disappear when you close your browser or have a limited duration (so-called session cookies).</p> <p>Cookies may be installed by the website you are visiting (so-called first-party cookies) or may be installed by other websites (so-called third-party cookies).</p> <p><b>HOW WE USE COOKIES</b></p> <p>1. <b>Essential Cookies</b></p> <p>a. <b>session/navigation:</b> the use of so-called session cookies (which are not permanently stored on the user's computer and disappear when the browser is closed) is strictly limited to the transmission of session identifiers (consisting of random numbers generated by the server) necessary to enable the safe and efficient exploration of the site and its applications. The so-called session cookies used in the site avoid the use of other computer techniques potentially prejudicial to the confidentiality of user navigation and do not allow the acquisition of personal identification data of the user. They do not require your consent.</p> <p>b. <b>persistent cookies:</b> persistent cookies remain on your device even after you leave the website, until you delete them or until they expire. The site creates these cookies and stores them on your device so that they can be read when you visit the site again. This allows, for example, to find, even on subsequent visits to the site, the preferences set (e.g. wish list, shopping cart...). They do not require your consent.</p> <p>2. <b>Analytics and Functionality Cookie:</b> cookies installed to collect aggregate information of a mainly statistical nature (how long you stay on a web page, number of visitors to the site, etc.).</p> <p>a. <b>First party analytical cookies:</b> similar to technical cookies as they are installed directly from the website you are visiting to improve their usability. They do not require your consent.</p> <p>b. <b>Third-Party Analytical Cookies:</b> analytical cookies created and installed by third parties in order to analyze users' browsing in order to generate statistics on visits or to improve the offer of content, to show similar products and to place, if necessary, targeted advertising on web pages. The system used is Iubenda Solution.</p> <p>Since the IP address is clear, the use of such cookies requires your consent.</p>

### COOKIE PREFERENCES MANAGEMENT

The consent to the use of cookies is given in one of the following ways:

- by clicking on the “X” button, located at the top right of the banner, the user agrees to continue browsing with the default settings (essential cookies);
- by clicking on the “Accept all” button in the banner, the user consents to the placement of all cookies used by the Site;
- by clicking on the “Modify” button in the banner containing the brief information, which appears at the moment the user, on first access to the Site, consents to the placement of selected cookies (analytics or functionality).

### HOW TO CHANGE COOKIE SETTINGS

Most Internet browsers are initially set to accept cookies automatically. This means that the user has the possibility, at any time, to set his browser to accept all cookies, only some of them, or to reject them all, disabling their use by the sites. In addition, the user can normally set his browser preferences so that he is notified whenever a cookie is stored on his computer. Finally, at the end of each browsing session, the user can delete the cookies collected from the hard disk of his device. If you wish to delete the cookies installed in the cookies folder of your browser, please note that each browser has different procedures for managing the settings.

	<p>The personal data processed through the installation of technical cookies and first party analytical cookies are necessary to ensure correct navigation within the website. It is optional to give your consent to the installation of third-party analytical cookies. Your personal data will be processed by these cookies only with your express consent, as indicated above.</p>
	<p><b>DATA RECIPIENTS</b></p> <p>The data may be processed by external parties operating as independent data controllers such as, for example, supervisory and control authorities and bodies.</p> <p>The data may also be processed, on behalf of the Company, by external subjects designated as data processors, to whom adequate operating instructions are given. These subjects are essentially included in the following categories:</p> <ul style="list-style-type: none"> <li>- companies offering e-mail services;</li> <li>- companies that offer services instrumental to the pursuit of the purposes indicated in this statement (IT suppliers, companies that deal with the management and maintenance of the site ...).</li> </ul>
	<p><b>SUBJECTS AUTHORISED TO PROCESS DATA</b></p> <p>Data may be processed by employees and/or collaborators of the Data Controller/Data Processor who have received adequate operating instructions and who have been expressly authorized to process it by the Data Controller/Data Processor.</p>
	<p><b>PERSONAL DATA TRANSFERS OUTSIDE THE EU</b></p> <p>Data may be processed by Data Processors located in extra-EU Countries, whose level of data protection has been deemed adequate by the European Commission under Article 45 of the GDPR.</p> <p>Your personal data may also be transferred as a result of signing the Standard Contractual Clauses (Standard Contractual Clauses) provided for in Article 46(2)(c) of the GDPR.</p>
	<p><b>DATA SUBJECTS' RIGHTS – COMPLAINT TO THE SUPERVISORY AUTHORITY</b></p> <p>By contacting Data Controller via e-mail at the address <a href="mailto:dpo@dorbit.space">dpo@dorbit.space</a>, data subjects can ask the data controller for access to the data concerning them, their cancellation, correction of inaccurate data, integration of incomplete data, limitation of processing in the cases provided for by art. 18 GDPR, as well as opposition to processing in the case of legitimate interest of the data controller.</p> <p>If the processing is based on consent or contract and is carried out by automated means, the data subjects have the right to receive the data in a structured, commonly used and machine-readable format and, if technically feasible, to transmit them to another data controller without hindrance.</p> <p>Data subjects have the right to withdraw the consent given at any time. Withdraw the consent does not affect the lawfulness of processing based on consent, prior to withdraw.</p> <p>The data subjects have the right to lodge a complaint with the competent supervisory authority in the Member State where they habitually reside or work or in the State where the alleged infringement has occurred.</p>
